**TALENT**

## An inside track on the area's top projects.

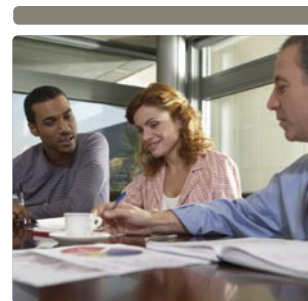

*At Talent, we are passionate about making consulting the best job in the world, driven by fresh challenges, innovative solutions and rewarding relationships.*

After 20 years in the Twin Cities, Talent has developed partnerships with more local companies than any other consulting firm. In addition to many of the Fortune 500, we are inside the area's top companies, so our consultants get the challenging career opportunities they want without having to sacrifice themselves to travel and unpredictability.

As an employer of choice for the area's highest performing consultants, Talent provides the ideal mix of benefits, career advancement, and job stability. Our commitment to consultants is evidenced by an exceedingly low turnover rate and the longevity of our team.

Inside Talent, we have developed unique skills and processes to ensure successful consulting outcomes. Our knowledgeable recruiters are adept at understanding how to match project requirements with the right consultants. We are always looking beyond skill set to make each consulting partnership a success.

*Talent enables the area's top consultants to maintain a healthy work/life balance in the Midwest's most livable city.*

Well before any of our consulting engagements end, we are proactively working to find upcoming opportunities that provide our consultants with choice and stability.

The ability to continually provide career satisfaction and a healthy work/life balance has earned us the loyalty of many of the area's top consultants.

## Talk to Talent.

With a steady stream of local projects, we are always looking for qualified consultants to fill rewarding positions in each of our service areas. If you are looking for a career and a place you can call home, you owe it to yourself to talk to Talent today about joining one of the most accomplished teams in the Twin Cities.
